

# COME JOIN THE MONICA HACKATHON FROM FRIDAY 24/8 – SUNDAY 26/8 AND WIN €5000!

## CALLING ALL DEVELOPERS – ENTREPRENEURS, STARTUPS AND STUDENTS

Develop IoT technologies that enhance user experiences and engagement at big open-air events. The Hackathon will be held in the creative district Musicon with an ongoing local festival, Rabalder festival, where you can test your prototypes.

You have the opportunity to compete against other teams of developers to create the most innovative and useful IoT solution. The winner team will be awarded with €5000, free access to a Business Growth Programme and an opportunity for a working prototype to be integrated and tested at one of the MONICA pilot sites.
